Rev. J. P. Cima, who will tell “the rest of the story” of what is going on in Asia and this area of the world.

The World Famous Rev. J. P. Cima and Family

This will be “one of the highlights of the year” as we will have in person the famous Rev. J. P. Cima who will be presenting on their important work in Asia. They have had such a HUGE impact on the people of this community where many people are in total darkness and don’t know of the Light of the World. It’s truly a “melting pot” for people and students from all so many countries! These veterans have served in Asia 10 years! It’s a MUST see presentation. Bring a car load from your church to Mission Central, just 2 miles east of Mapleton, Iowa, and your life will be changed!
